

## Apposite Capital Wins Venture Capital Exit of the Year

**London, UK – 5<sup>th</sup> October 2016.** Apposite Capital, the private equity firm specialising in healthcare, has won the Venture Capital Exit of the Year category at the 2016 Unquote British Private Equity Awards for the sale of its investment in CancerPartnersUK to GenesisCare.

CancerPartnersUK was founded by Apposite Capital and an experienced management team. It is the UK's first network of high quality, specialist outpatient cancer centres based on international best clinical practices. The company was set up in response to the acknowledged poor cancer outcomes and the significant under provision of radiotherapy capacity in the UK.

Apposite invested £17m in the company to help establish the company, build up the management team and finance the roll-out of the centres across the UK. At exit the company had 8 state-of-arts cancer centres, employed 160 people and generated over £20 million in revenues. The company was recognised by the Sunday Times Virgin top 100 Fast Track as one of the fastest growing companies in the UK.
